Powered by Whelen SUPER-LED®

Unity Manufacturing has provided top quality emergency and auxiliary lighting products since 1918. Unity's Post-Mount Spotlight comes in a rugged, high-impact ABS Chrome or Black housing to provide unmatched performance, reliability, and durability. The Spotlight utilizes LED technology rated at 2000 lumens output, 30 watts, and up to 50,000 hours lamp life. The lamp has a replaceable, hard-coated, polycarbonate lens that is break resistant, virtually indestructible. The instantly aimable light is easy for anyone to use. Whether you need additional light to illuminate your work area, to help you find street signs or house numbers, or to follow the path of a broken power line, the UNITY®LED post-mount spotlight is a *bright idea for any vehicle!*sm

See Better and Work Safer!

- Instant aimable light when and where you want it!
- Bright light virtually turns the night into day!
- Easy to install on virtually any vehicle!

More Light Means More Safety!

- Brighter (2000 lumens)
- Whiter
- Tighter/Controlled Beam (4° x 4° spread)
- Reduced Glare
